[What is Data carry over feature?](#)

Enjoy carrying over the remaining internet bundle from this month's bundle to the next month only, with our data carry over feature when renewing on time or earlier.

[Always-on data feature](#)

Always-on data is designed to give you peace of mind, giving you free access to the internet at a reduced speed once you use up all your internet bundles. You can restore full speed by renewing your subscription anytime or by buying an internet bundle.

[Customer service](#)

Customer service is available 24/7 to answer all your questions by calling us on 1777 from Orange mobile numbers or on 0777700177 from other networks

[CLIR \(Private number\)](#)

You care about your privacy and you don't want everyone to know your number, now you can subscribe with your private number service. Orange offers you the ability to hide your number with the choice of monthly, weekly or daily subscription at a low cost.

[Missed Call Alert \(MCA\)](#)

let you know all your incoming calls when your mobile is switched off or out of reach so that you will receive an SMS containing the caller's number along with the date and time of each call.

[Internet settings on your handset](#)

You can get the settings to access the internet for your handset by dialing *140# .

[SIM Card replacement](#)

You can replace your SIM card by visiting any of [Orange shops](#)

[Emergency Credit](#)

Because we know how important it is for you to stay connected even when you are out of credit, we created SOS for you to make your important calls or get the services you need instantly even when you are out of credit.

[My Orange App](#)

A secured self-care application for Orange mobile users, that offers our customers a personalized account management experience and allows them to:

1. Check their credit balance
2. Recharge their account or the account of a friend
3. Manage their services & data bundles subscriptions
4. Easy access to data and roaming bundles
5. Migrate to the best offers
6. Pay their bill through credit card
7. Locate Orange shops through its GPS-enabled feature
8. Keep them updated with the latest promotions, offers and services from Orange, helping them to get the most from the Orange universe

[International call bundles](#)

Reduced calling rates available for many countries around the world. Press *413# to subscribe, inquire about your international calls bundle or balance.

[Discounted international rates](#)

To stay connected with family and friends, orange provides you the best discounted rates on international calls . To know more about offers with discounted rates, please visit <https://oran.ge/3bBuXDV>
